PERFORMING ARTS SCHOOL

40
YEARS

I WANT TO HELP MAKE DREAMS COME TRUE AT TROLLWOOD

As we celebrate 40 years of Trollwood in 2018, we are proud of the positive impact this organization has had on the four decades of students who have participated in Trollwood programming. If someone you loved was part of Trollwood in the past and this organization made a positive difference in their life, please consider giving a gift in their honor. As we celebrate 40 years, most importantly we are celebrating the thousands of young people who have spent their summers learning, growing and making friends at Trollwood. Your financial gift would be a great way to honor them while laying a foundation for future generations to experience the same opportunities as those who have gone before them.

Your gift today directly supports the programs of Trollwood Performing Arts School and will help us continue this legacy of quality arts education for years to come.

Thank you for believing in the value of Trollwood, and most importantly, our youth!
