As a result of my Trollwood involvement I have learned...

I have learned to adapt to any situation and sudden changes.

I would tell someone who has never participated in Trollwood that...

You never know what it's like until you try it. Take a chance on Trollwood, it'll be one of the best decisions you make.

Three of my most vivid Trollwood memories are...

1. *Freaky Friday's* Final Circle
2. Scary Saturday, which is not that scary
3. Pandemic G&G 2020

My future plans are...

Attend Oklahoma City University, majoring in Vocal Music

Additional Comments...

A lot of people say they wish they started Trollwood sooner, and it is so true. I regret missing out on all of these experiences and people I could have met. So, start as soon as possible!
