As a result of my Trollwood involvement I have learned...

How to be truly myself. I've learned how to express myself in many different ways here at Trollwood that I never would've thought of doing in the first place. I've also learned to be a team leader and cooperate and listen in a big group setting. Trollwood has also taught me that theatre is a truly magical thing.

I would tell someone who has never participated in Trollwood that...

It's such an amazing and welcoming place that brings so many people happiness. It's a place where you can be yourself and make lifelong friends. I would always highly suggest doing Trollwood.

Some of my most vivid Trollwood memories are...

1. My first day at Trollwood
2. Dancing backstage to "Go" during Freaky Friday

My future plans are...

Attend the University of Jamestown to major in nursing and become a nurse practitioner
