As a result of my Trollwood involvement I have learned…

Not only have I learned to be a better theatrical performer, I have become a more confident person.

I would tell someone who has never participated in Trollwood that…

If you are scared, don't be! Everyone here are some of the nicest people I've ever met. The staff is extremely professional, and my peers will be my life-long friends, I'm absolutely sure of it.

Some of my most vivid Trollwood memories are…

1. Singing in the TTA music classes with Claire Fenelon
2. Playing Ninja in Mr. Kennedy's improv class
3. My terrified joy of playing Minnie Fay in *Hello, Dolly!*

My future plans are…

Attend the Oklahoma City University to study Music.
