As a result of my Trollwood involvement I have learned...

I have learned what I believe is a great work ethic from the amount of time dedicated to the show I have been involved with thus far.

I would tell someone who has never participated in Trollwood that...

Give it a try! It's a fantastic experience where you get a real taste for what theatre is like when done by professionals in the field!

Three of my most vivid Trollwood memories are...

Definitely the cast parties!

My future plans are...

I am going to attend Savannah College of Art and Design where I am going for a BFA in Musical Theatre.
