*As a result of my Trollwood involvement I have learned...*

How to embrace my creativity and my talent into a program that has great opportunities for everyone. I have meant some of my friendships that will last me a life time. Also I have met staff that have been my motivation to never give up even when it's the middle of tech week and 100 degrees but we always get through it.

*I would tell someone who has never participated in Trollwood that...*

DO IT! It has showed me how a place can turn into a home.

*Three of my most vivid Trollwood memories are...*

- Taking my first bow on the main stage and looking out and seeing the huge crowd
- Cast parties / Lake day
- Michelle's little booty dance / Warming up to fireball

*My future plans are...*

I will be attending NDSU and Majoring in Elementary education and minoring in special education and obviously still doing theatre.
