*As a result of my Trollwood involvement I have learned...*

The valuable skill of being a team player. Trollwood is a unique environment because you're around people who are just as passionate as you, so team work is easily taught.

*I would tell someone who has never participated in Trollwood that...*

There is something here for everyone and you will never find a place like it. Everyone here is so willing to welcome you into their community.

*Three of my most vivid Trollwood memories are...*

- Creating completely random names for the parapet during Cinderella
- The first vocal rehearsal for my first Mainstage show
- Ice cream truck visits at TTM!

*My future plans are...*

I will attend Concordia College for Music Education
